LION ROCK

龍翔道

獅子山 是香港著名山峰，因其外表似獅子而得名。其山峰海拔495米，是九龍和新界的天然分界線。雖然現在山腳下蓋了很多高樓，但在九龍不少地方還都可望到。

Lion Rock which was named because of its appearance like a lion is a famous mountain in Hong Kong. Its height is 495 meters above sea level is the natural boundary between Kowloon and the New Territories. Although many tall buildings have been built at the foot of Lion Rock, it is still visible in many places in Kowloon.
